## **RETAIL GRANT PROGRAM**

The City of Deland, through its visioning process, has identified revitalization of the downtown as one of the elements in creating a strong vibrant community. A series of initiatives have been instituted to assist in the revitalization efforts. The City of Deland Community Redevelopment Agency has created a Retail Grant program that is designed to assist property owners to retain existing retail business or convert office /service occupancy to retail occupancy. This program is available to commercial properties within the downtown tax increment district. Matching Grants are available to downtown property owners or businesses for retention or creation of retail uses. Eligible projects may receive Grant Awards of up to 50% of total project cost as a reimbursement for expenditures with no single grant exceeding \$2,500. Only one grant may be used for a specific project. The grant program will be administered by the MainStreet Deland Association. The Mainstreet staff will assist applicants through the grant process; however it is the applicant's responsibility to meet the requirements of the grant program and all applicable City regulations.
